ICC CRICKET WORLD CUP
INDIA 2023

Where was Asif Ali in the years Pakistan had been crying out for a power hitter? It took the exposure of the PSL for Asif Ali to come to prominence in an Islamabad United side that owed much to him for their title-winning campaign in 2018. A six in a Super Over against Mustafizur Rahman got their campaign up and running, and it wasn't until he smashed three sixes in a row in a nerve-wracking chase that his side were assured victory.

When the annals of Bangladesh cricket are sifted by future generations, Shakib Al Hasan will emerge and re-emerge as the greatest cricketer of its first two decades. As a bowler, Shakib is accurate, consistent and canny; aggression and a wide range of strokes are the keys to his batting. Even more importantly, he has self-belief and an excellent temperament, unflustered by the big occasion and ready to do battle against the top teams. Virtually unheard of before 2015, the first inkling of right-arm seamer
